## ABOUT OUR COMPANY

Building on our strong foundation in rice and food products, MINH PHONG GREEN AGRICULTURAL PRODUCTS J.S.C is proud to expand our portfolio to include high quality fresh tropical fruits from Vietnam.

With the same commitment to safety, sustainability, and international standards, we now deliver the best flavors of Vietnamese fruits to global markets.

Our fruit products include Mangoes, Dragon Fruit, Rambutan, Longans, Lychees, Mangosteen, Guava, and Bananas . . . . all grown in fertile regions across Vietnam, carefully harvested and packed to preserve their natural taste and nutritional value. With our experienced team, strict quality control, and efficient logistics, we ensure that every piece of fruit reflects "A Real Taste from Viet Nam."

Our fruits are grown according to GLOBAL GAP and VIETGAP standards, packed in modern facilities, and exported under the trusted MINH PHONG brand.

We are currently expanding our fresh fruit network to partners and distributors in Asia, Europe the Middle East, and North America. **"A Real Taste From Viet Nam."**
